Middle States Evaluation

Dr. William E. Maxwell, Mr. William D. Starr, Mr. H. Richard Sell, Mr. Timothy Holsinger, Mrs. Elsie Knull, Mr. Walter D. Kone, Mr. Robert E. Millard, Miss Phyllis Hemmes, Miss Angela M. Stevenson, Mrs. Beverly B. McEven, Mr. Harry G. Fulton, Sister M. Lorraine, Ms. Joan Heyse, Mr. Mark A. Woodland, Mr. Eugene A. Carine, Sister Marie Anselm, Mr. Charles H. Sowers, Mr. Lee E. Linn, Mr. James A. Schnell, Mr. William Baker, Mr. Garvin R. Kissinger, Mrs. Edith B. Long, Miss Eleanor E. Kline.

During the year, on October 23-25, the school was evaluated by the Middle States Evaluation Committee, consisting of twenty-three members from various places. This evaluation happens only once in a decade, and it had affected everyone in the school, and involved many months of preparation by the members of the staff. The results of the evaluation was something for all to be proud of, it was the impression of the committee that the community served by Red Land High School is interested in good education and is proud of the school system which has provided such education for many years. It appears that Red Land High School has established its own identity and no longer needs to feel that it is the "poor relative" of the other high school in the district.

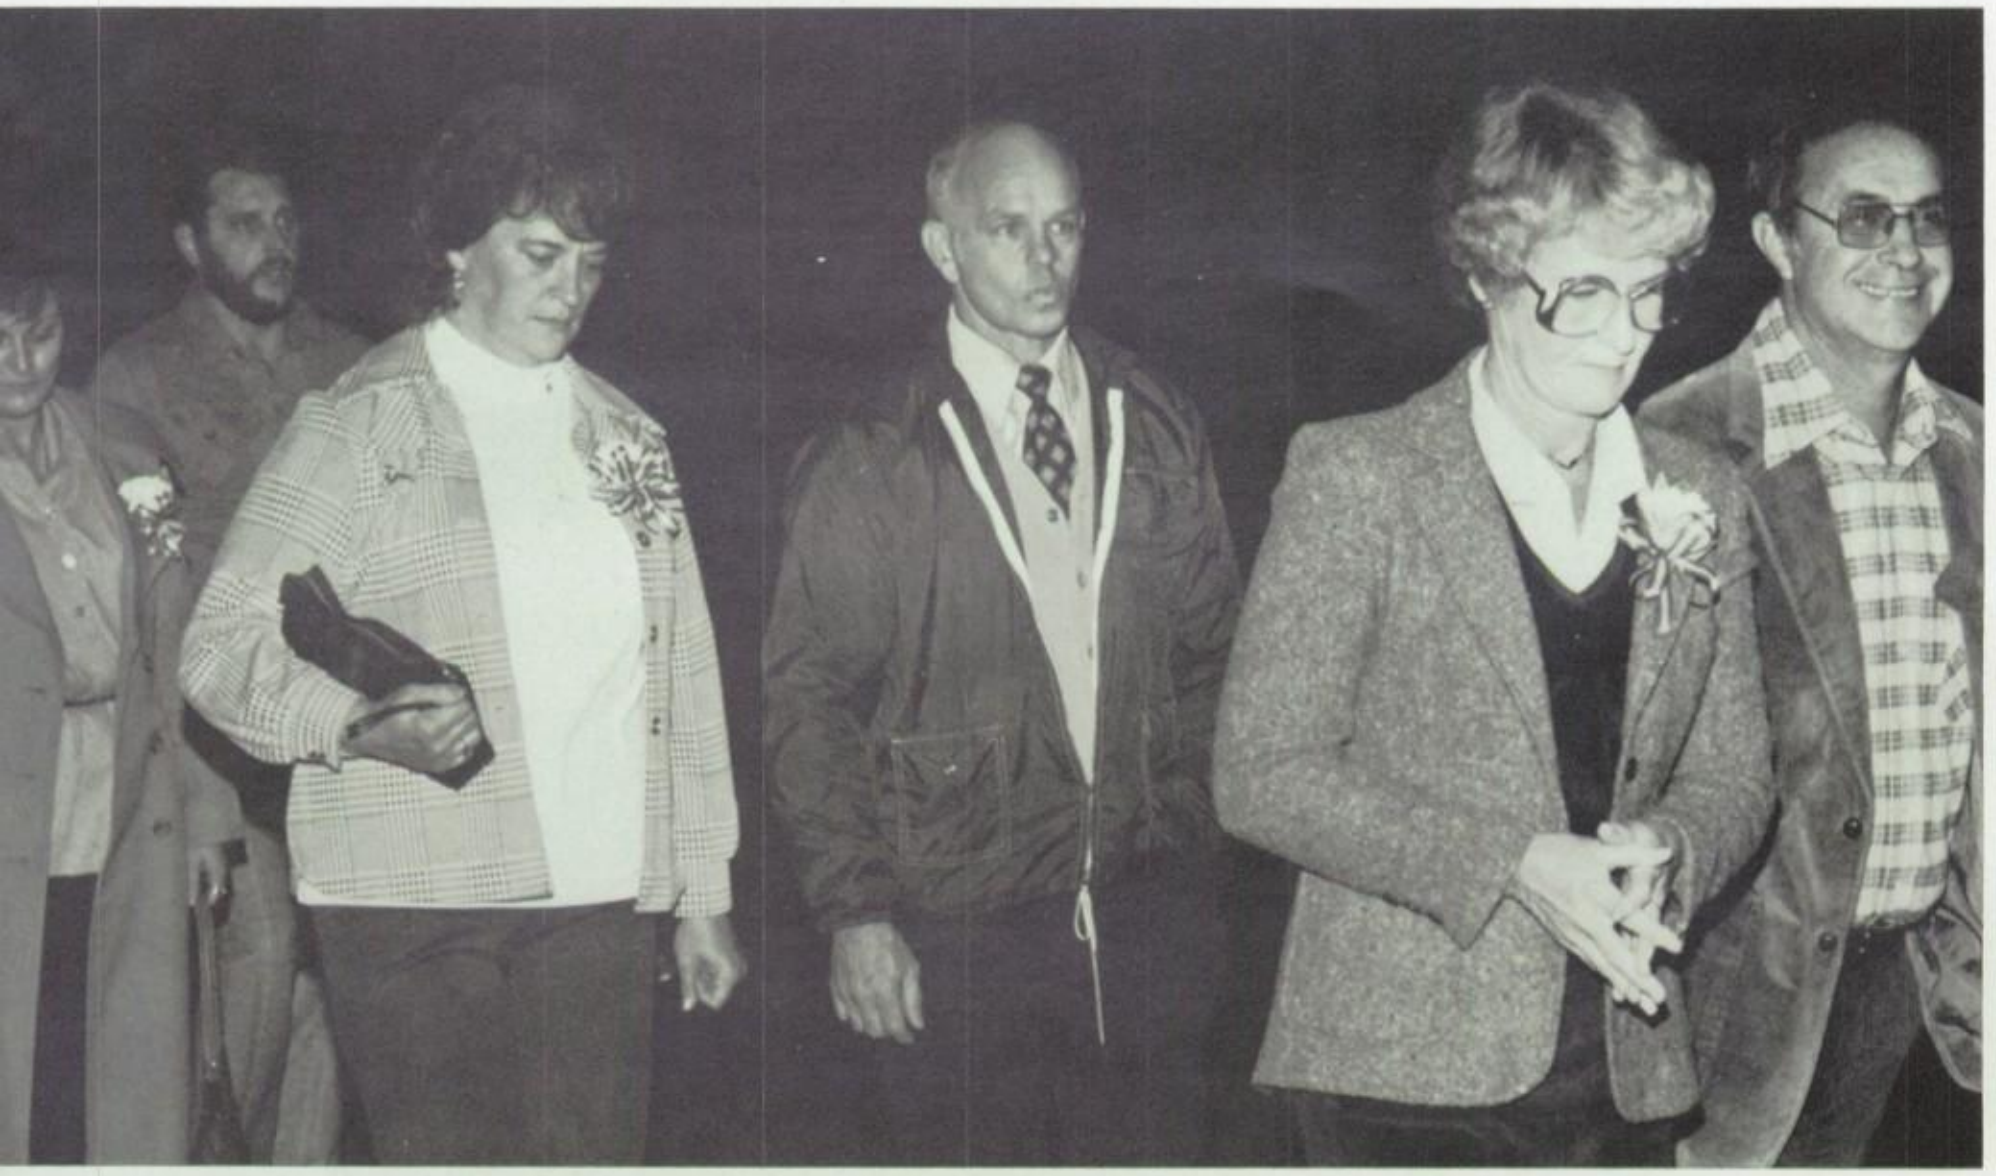
Parents Night

Parents night was an evening set aside for the parents of our football team to be honored and recognized for all their cooperation during the 1979-80 football season.



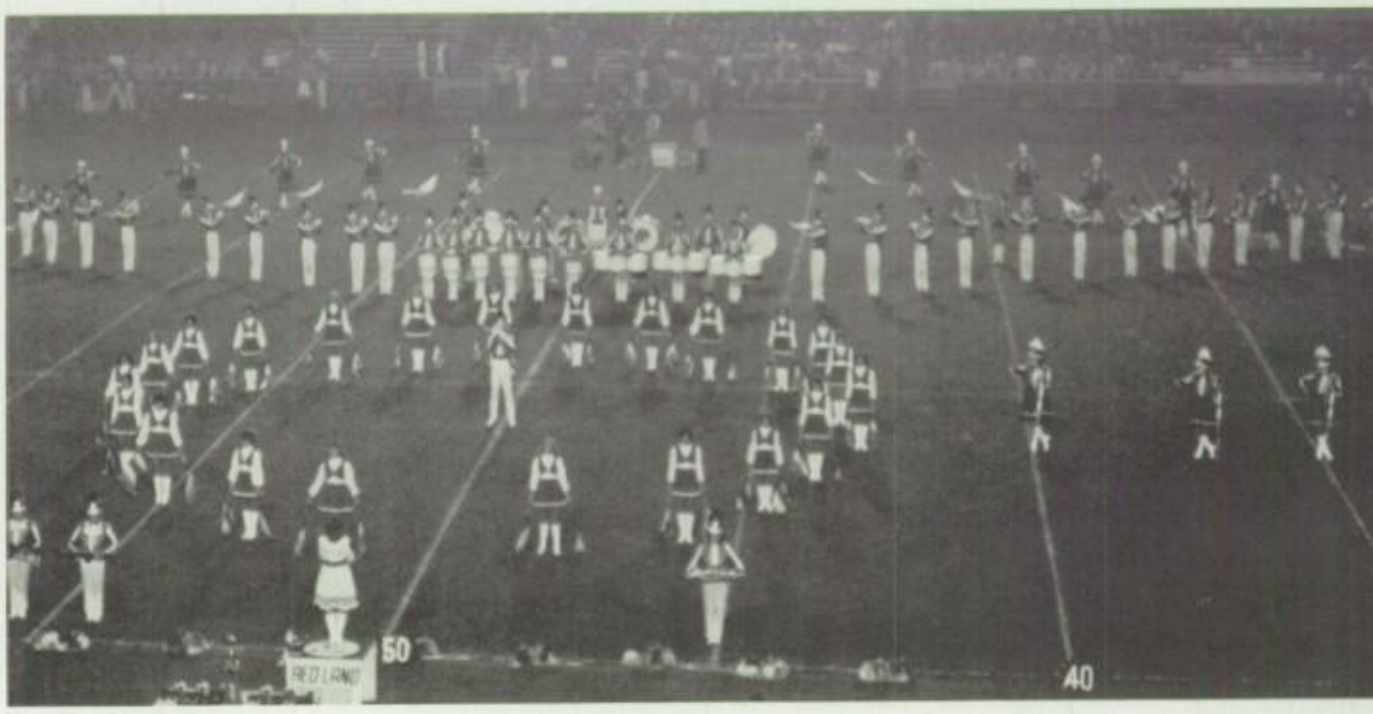
Back to School Night

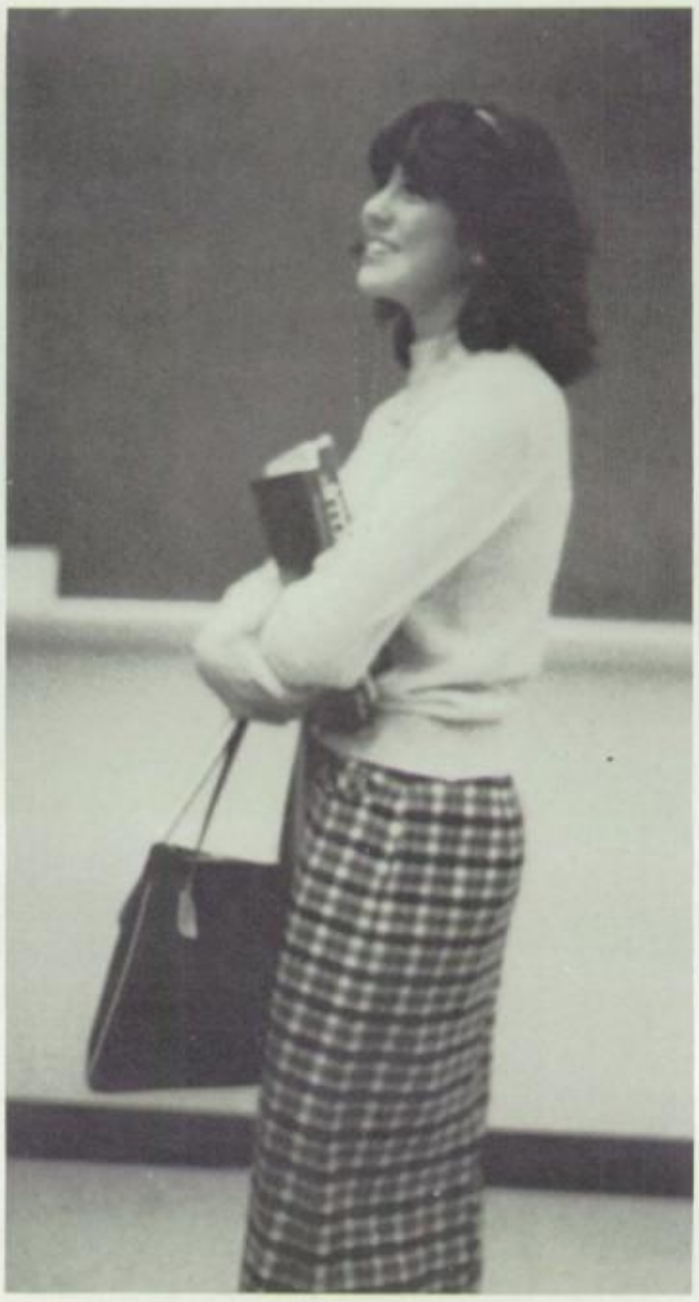
The Back-to-school night offered the parents a great opportunity to meet the faculty, and actually see what their children go through in a day of school at Red Land High School.

Band Competition

This year Red Land Band and Band Front had a successful year with their Victory over seven other bands at the Dover Parade Competition.

Recipients of awards at the Sound of the Patriots Competition were; In the Independence Conference, Southwestern placed first; American Conference, Lake Lehman placed first; and in the Liberty Conference, Hanover placed first.





Spirit Flows

This year Red Land students and faculty participated in a fun filled week of action. Starting off the week with tee-shirts and Denims and ending with a cheerful Red, White, and Blue Day in which during the twelfth mod a pep rally was held.

UP TO $14,100 RICHER

The Army can help you save a lot of money for college. In a two-year enlistment, you can accumulate up to $7400. In three years, up to $12,100. And as much as $14,100 in four years.

It's the Veterans' Educational Assistance Program (VEAP, for short), and it gets you two dollars for every one dollar you save for college (see chart).

And now, if you qualify, it can include educational bonuses of up to $2,000, $4,000 and $6,000 for two-, three- and four-year enlistments respectively.

A WEALTH OF EXPERIENCE

As a soldier, you'll have seen and done things most college freshmen only dream about.

You'll have handled responsibility, faced challenges, and lived and worked with people from almost every background imaginable.

This experience will give you more than the money for an education. It will teach you the value of having one.

LEARN MORE

Now's the time to learn more about VEAP, and to decide whether you want to take advantage of it.

Just call the toll-free number below. Better yet, call your local Army Recruiter. The number's in the Yellow Pages.

The curtain is lifting. We can have triumph or tragedy, for we are the playwrights, the actors and the audience. Let us book our seats for triumph. The world is sickened of tragedy.

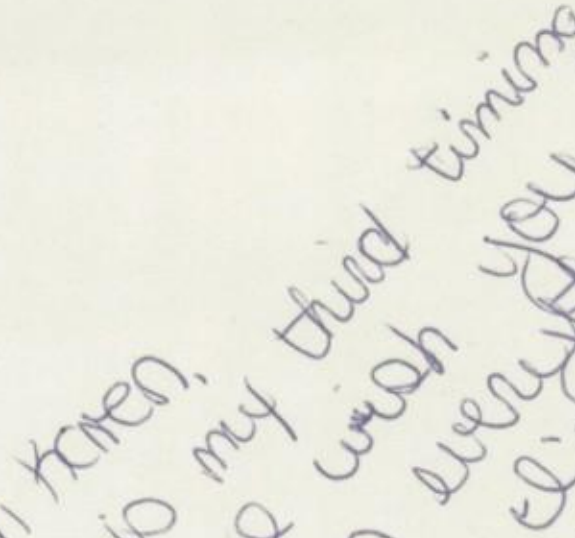
John Macauley

Hi Karen,
This is my third timing of signing! So much for luck in getting it! You're in everything you try your life. Always give you the best of luck in everything you try and always do! You'll always remember this year as one of the best in your life. Remember the class of "83"! I've got one hell of a memory and I'll remember you and the fun we had together. Well, what can I say? Have a great summer, write me and let me know what you're doing. Remember, there's only one year of high school and college, so make the most of it. As well as you've done in school, I'm sure you'll do even better in life. Best of luck always!

L.Y.L.!

P.S. only you Shelley know what that means!

Karen,
Good luck!
always,



Karen,
To a good friend of mine who I met in 8th grade. Stay out of trouble and keep up the good looks, keep in touch this year and in the future.
"83" Love always
Dave

Karen
Hi! I'm really pleased that I really didn't get to know you well. I guess that was my fault. But maybe that's what I liked about you. I've always seemed to like the right people at the right time. Maybe it was the fact that we rarely talked. Anyway, I'll always remember you as the person who was the reason I was late for school. Remember Dave Courter, Daniel Lance and Dave Nuss? Well, they're always there for me. Dave Nuss

Karen

that we do great! You are a terrific
friend! Remember all our "wild-n-crazy"
times. Remember the good & its funny to look
back on our fights! They were kind of dumb!
Don't forget my honey (Mike Hutson)! He will always
be mine no matter what anyone else. Good luck
in everything you do throughout life! Keep on
touch! Be good and try to stay out of trouble! (Try)
God Bless!!
AVOFA,
Shelly Price

P.S. Wish me luck on trying to get Tim Thompson! ↑ heart-throb
Sorry sloppy!

Karen,

To a really nice and pretty girl I've known since 8th grade. Remember all of the wild and crazy times at the rink. Stay out of trouble! Stay just the way you are and things will go great. Good luck with Mike Miller.
